**Second Sunday in  
Ordinary Time  
January 14, 2018**

We're in Ordinary Time...  
Liturgical Color: Green

~~~~~  
**What is Ordinary Time?**

Besides the times of the year that have their own distinctive character like Advent and Christmas, Lent and Easter, there remains in the yearly cycle thirty-three or thirty-four weeks in which no particular aspect of the mystery of Christ is celebrated, but rather the mystery of Christ itself is honored in its fullness, especially on Sundays. This period is known

as *Ordinary Time*. However, Ordinary Time is not very ordinary at all. In Ordinary Time, the celebration of Sunday, is the identifying mark of the Christian community which comes together, remembering that on this first day of the week our Lord was raised up and creation came at last to completion. Sunday is a day of redeemed time. How we live Sunday proclaims to the world what we believe about redeemed time now and for ever. What happens in our churches every week. This is the fruit of our week. This is not ordinary at all. This is the fabric of Christian living.

"When we are before the Blessed Sacrament, instead of looking about us, let us shut our eyes and open our hearts; and the good God will open his. We will go to Him, and He will come to us, the one to give, and the other to receive. It will be like a breath passing from one to the other. What delight we find in forgetting ourselves that we may seek God!"

- St. John Vianney
